WORK EXPERIENCE

TECHNICAL EXPERIENCE

CNC Machinist & Logistics Coordinator, Pilot Precision, Ottawa, Canada (Sep 2020 – Jan 2021)

- Manufactured low toleranced, high precision machined parts for local companies. Created PO's, invoices and packing slips, tracked upcoming material, organized shipments and maintained priority of deliveries.
- Experienced using Feeler vertical CNC and Feeler CNC Lathe with Fanuc operating system & Okuma-Genos CNC machine.
- Practiced working with copper, brass, plastics, stainless steel and aluminum.
- Taking part of a new started company with only three employees, cooperated with the owners about setting up the base system of the company, focused on establishing improvement and efficiency in the work area.

Machinist / CNC Programmer, Pryor Metals, Ottawa, Canada (Nov 2018 - Sep 2020)

- Practised working with stainless steel, aluminum, cold & hot rolled steel, manufactured various sized machined metal parts for software, electronics, military and medical industries.
- Determined methods of sequence of operations needed to fabricate products, created custom fixtures and jigs for jobs, applied 100% inspection on each part.
- Programmed g-code on machine or on computer using Mastercam x9 to fabricate products the fastest and most accurate way with close tolerances.
- Worked with drill presses, tapping robots and saws frequently, calculated proper feed rates and rpms, experienced metric and imperial measurement systems.
- Operated the following machines: Haas VF-5 vertical mill, Amada LCG AJ fiber laser cutting, Amada 3612 ZRT punch presses, ABB deburring robot.
- Worked in the Mill Department and also worked at the following departments; Assembly, NC, Pems, Debur, Shipping and Forming. Communicated and gave reports professionally as a team leader to the department supervisor and shift manager daily.

Systems Installation Technician, Atlas Elevator Systems, Izmir, Turkey (Apr 2013 - Sep 2013)

- Installed elevator systems on various buildings and apartments, travelled daily to the work zone with a team.
- Assembled electrical panels and panel equipment on elevator systems, shafts, cabin and on floors.

Electrical Maintenance Technician, Hausman Elevator Systems, Izmir, Turkey (Apr 2012 - Sep 2012)

- Responsible for the monthly electrical maintenance on 100-150 elevator systems with a partner.

MANAGEMENT & CUSTOMER SERVICE EXPERIENCE

Assistant Store Manager, Tim Hortons, Ottawa, Canada (Feb 2016 - Oct 2018)

- Performed the role of floor leadership at all times to ensure team motivation, efficiency. Multi-tasked in various areas during busy periods to maintain optimal guest service levels.
- Assisted the manager in recruiting, training, developing in multiple stores, worked in 2 different locations to train supervisors and store closers.
- Communicated regularly with other location managers for supplies and support, counted inventory and ordered supplies for the store 3 times a week.
- Started working as a team member, promoted to being a store closer, then to morning supervisor and then the assistant manager.

Representative, My Staff Human Resources, Izmir, Turkey (Sep 2015 - Feb 2016)

- Assisted the local & foreign press members during the G20 Economic Forum. Met with the G20 member country Prime Ministers/Presidents, supported press members from CNN, The New York Times, BBC World, Al Jazeera, NBC, etc.
- Assisted Customer Service Expert & NYT Best-Selling Author Shep Hyken during the Turkish Airlines CEO Summit.

Entertainment Manager, Risus Aqua Beach Resort, Izmir, Turkey (Jun 2014 - Sep 2015)

- Coordinated all the daily activities, shows in the theatre, pool games and mini clubs. Arranged beach activities, night shows and special events that were presented in the hotel 7 days a week.
- Responsible for the music and announcements. Presented events including 400 people concerts and celebrities.
- Experienced local and Russian tourists, organized nightclub events for hotel customers every twice a week, communicated with night club managers, shuttle services and with the hotel manager regularly.

Animator / Entertainer, Diamond Beach Hotel & Spa, Antalya, Turkey (Apr 2014 - Sep 2014)

- Participated and entertained hotel customers in all the daily activities, shows in the theatre, pool games, mini clubs and beach activities. Communicated and built relationships with Swedish, Russian, Ukrainian and German tourists at the resort.
- Focused on achieving public relations, worked 6 days a week with extended hours while accommodating at the hotel.
- Performed fire shows, comedy plays, bingo nights, disco events, morning aqua gymnastic and Zumba, hosted dart competitions.
